## Church Facebook “Changing of the Guard”!

A sincere “Thank you!” to Keith Hamer for taking over the church Facebook postings, both for the private group and the public page! In the five years since Keith has become a member of our church, he has graciously volunteered to help in many ways, including being a Deacon. Our Facebook group (now 186 members) and Facebook page are both very active. As “the” church social media presence, the public page is an important face of the church to the public.

**A reminder to those who participate in the FB private group:** ANYONE who is a member can post in that group so don’t hesitate to create your own posts to share information with church members. If you are NOT yet a member and would like to become one, go to <https://www.facebook.com/groups/hollischurchmembers> to request to join the group. Also, if you haven’t already “liked” our public FB page <https://www.facebook.com/hollischurch>, please take a moment to do so. FB “likes” help boost our page up on searches.
