The UCC New England Women's Celebration XI will take place **March 17-19, 2023** in Manchester NH. The New England Women's Celebration takes place every four years. It is held over (or near) the weekend of Mothering Sunday, the 4th Sunday of Lent, which is traditionally a time when the strict observances of Lent were relaxed for a day so church folks could return to the Mother Church of their roots.

The purpose of the Celebrations is to reach women in the pews and to involve them in learning and sharing their faith beyond the local church. It is organized by women from United Church of Christ (UCC) congregations across New England; however, women from all denominations and religious traditions are welcome to attend.

Register for the weekend or just Saturday. Financial Aid is available. For more information and to register: uccwc.org

Volunteer Opportunity: Tutors Needed

United Way of Greater Nashua is looking for volunteer tutors to work with children in grades K - 12 in math, literacy, or science. Volunteers for this program work with students who need one-on-one help on a particular topic for a short period of time - or for the entire school year. Volunteer tutors may select the age range of students they'd like to work with, the subjects they feel comfortable with, and days and times they'd like to tutor. Volunteers should have some experience with teaching, tutoring, or helping educate others in another way, but do not need professional certification. Tutoring will take place in a monitored situation at a youth-serving organization primarily during after-school hours and may be virtual or in-person depending on the needs of the student. Volunteers will be expected to pass a background check annually. If you would like to become a volunteer tutor, please contact United Way at tutoring@unitedwaynashua.org or (603)882-4011.
