

ANNOUNCEMENTS

June 13, 2021

Welcome Back!

Our doors (and windows) are open for Sunday 9:30 a.m. worship services in the Meetinghouse for those who would like to join us for worship in-person, while also allowing you to still join the service remotely.

- Hand sanitizer is available at the entrances; masks are expected.
- Names and contact information will be collected as a cautionary measure for the unlikely need to contact trace.
- Soft singing/humming is allowed with masks on.
- Following the worship service, fellowship gathering will happen outside on the Squires Community Patio for those who come in-person, and those gathering remotely will be welcome to remain logged on to visit with fellow community members and visitors.

Throughout, we'll be learning and adapting new ways of worshiping together while apart, ways that allow us to be more inclusive, welcoming, and as one Resurrected Body. Our services of worship will be renewed, as we are continually called to renew our energy for serving.

Watch your church emails for updates and for the virtual worship service link.

Summer Sermon Series - Our summer sermon series this year is going to focus on the "Faces of Our Faith", where we will delve into some of the less-recognized (but no less important!) characters in our Christian stories — and I hope we can explore our own lives a little more deeply as we delve into them. There's a study journal to help you participate week by week. Copies are available at the church office or get in touch with the office (churchoffice@hollischurch.org) or pastor@hollischurch.org for a copy.

On Father's Day, June 20, we will NOT have a hybrid service. It will be **in-person only**, because we'll be resuming our tradition of meeting at **Rocky Pond Scout Beach** for worship that day, and there's no internet ability for us to stream the service. Please bring your own chair for the 9:30 a.m. gathering time!

Summer Worship Music Performers?

Now that we are once again gathering live for worship in the Meeting House, and summer is here giving our wonderful choir a much-deserved break, we would love to have some "special music" throughout the summer.

If you or someone you know are vocalists or instrumentalists and would be willing to sing or play a song or two (live or pre-recorded) for a summer Sunday worship service, **please contact Beth Harper at 603-320-1257**. For vocalists, you would need to arrange for an accompanist.

Thank you for sharing your gift of music with us!

How to Stay Informed This Summer

With virtual worship, fellowship and meetings continuing throughout the summer, please remember to **check your email and/or the church private Facebook group regularly** as these are the primary ways we have to communicate.

For those who aren't members of our Facebook group, please consider joining as this is the fastest, most immediate way we get news out. It is a closed Facebook group so to join, go to

<https://www.facebook.com/groups/hollischurchmembers/> and request to become a member of the group. Posts in our

Facebook group include news, activity updates, photos (*which will include construction photo progress throughout the summer*), and uplifting articles and images. It is intended to help everyone stay informed quickly, feel connected to our church and church family, and bring a smile to your face. There are currently 173 members of the group; it would be wonderful to get to 200!
