

The Joy of Generosity Update

Thank you to all who made our *Joy of Generosity* Campaign a success. It would not have been possible without the hard work of our FoV and BoV teams as well as the many members of our congregation who held House Parties, stuffed envelopes and supported our efforts. Thanks, too, for your generosity not just financially but with words and actions of encouragement and support. And, of course, thanks to Huckleberry and Wicket for adding a touch of humor to the ex-paw-rience. This has truly been a rewarding and faith-raising journey.

Financial totals to date are over \$1.45 million. This is a larger figure than has ever been collected in the history of our church or any other community campaign in Hollis. And there is still more coming in. Soon we will begin a Public Outreach Campaign. Our church continues to be the heart of our community as it has been ever since its founding. We are excited about our plans to seed increased support as we inform and serve our neighbors and the wider community.

A reminder that we will be holding a special Congregational Meeting on May 5th to vote to proceed with renovation. Please see the Warrant below for more information.

With Gratitude and Peace
