# SUMMER BULB AND SEED SALE

## FAQ

### What is it?

Flower Power fundraising is a chance for you to reach out to your family, friends, neighbors, and anyone else who would like to support your scouting journey by purchasing flower bulbs and seeds in a no to low-contact way. Troop 465 will receive 50% of all profits and we will use it to help purchase gear and equipment, offset the cost of summer camp, and support our "Scouting is Outing" philosophy!

### How does it work?

People interested in supporting the troop can make their purchase and have their flowers shipped directly to them through our website

[www.flowerpowerfundraising.com/index.php/marketplace/seller/profile/shop/troop465](http://www.flowerpowerfundraising.com/index.php/marketplace/seller/profile/shop/troop465)

### What are the dates?

Purchases can be made now through May 15th and orders begin shipping April 1st.

### Tips for selling

Make it personal! When sharing this fundraiser with family and friends, have the scout write a short statement or make a quick video about why they love scouting and what they're looking forward to doing with the program, like summer camp or backpacking.
